Congressional Nominations in Chie.

C. White, of Mexico, was rue against by a negro man carrying a hod. This caused some angry words. The negro it is said, also threw a brick, when Mr. White drew an unloaded pistol and knocked him down. He went off, and shortly after returned armed with a pistol and knife, swearing that be vould "kill White before night, or any other d-d white man that interfered with him that day." He was thereup-on arrested and fined ten dollars and cost, for disturbing the peace. This only exasperated the fellow, who roamed through the streets threatening "that no such d-d rebel as White could live in the same State with him." time during the day Mr. White shot the negro, killing him instantly. He authorities. On a subsequent investigation of the affair, the killing was pronounced justifiable homicide and he was released. - Glasque Times.

The officially reported Democratic such an inconsiderable gain if we were not hampered by an eighty-six barreled test oath, a half dozen negro regiments, two or three hundred Radical Registrars, and a positively barbarous Ogre by the name of Drake. Ninety thousand would be our smallest figure, if it were not for these trouble

The Grand Army of the Republics the latest dodge of the Radicals for bolstering up their sinking cause. It is a secret organization, into which are endeavoring to entrap the soldiers. In some places, where it will serve as a card, they pretend it is a benevolent said to be the head, front and pander, now reorganizing in opposition to the administration of Andrew Johnson.

ture of their business, -Richmond Con. make him take the oath, armed themselves, attended the meeting and at tempted to break it up. The friends
